

KOMELON GRIPPER™ MEASURING TAPE, 8M

The Komelon Gripper™ Tape Measure features an 8m/26ft long nylon-coated retractable blade that has both metric and imperial measurements. Ideal for accurately calculating the lengths required for your next roofing application.

The nylon-coated 25mm thick blade has a durable top lock and zero end-hook for accuracy, whilst the handy belt clip and rubber-coated ABS casing help to improve grip and protection if dropped from a height.

Benefits of a Measuring Tape

- Metric and imperial measurements
- Durable, nylon-coated blade
- True zero end-hook and top blade lock
- Strong, ABS case with rubber outer and belt clip
- Accuracy: Class II
