

Foam Fillers To fit 34/1000 Box Profile

We provide polyurethane 34/1000 Profile Foam Fillers that are used to close off the end of your Roofing Sheets and prevent the rain and snow from getting in. Foam Fillers can also prevent birds and vermin from entering. Providing the perfect solution, our 34/1000 Box Profile Foam Fillers will ensure your roofing project has the ideal sealing.

34/1000 Box Profile Fillers

Measuring one-metre in width and manufactured using polyurethane, our 34/1000 Profile Eaves Fillers are the ideal product to finish your roofing project and can be used in conjunction with silicone sealant. We also have variants on these with 13/3 Corrugated Fillers and Tile Form Profile Fillers available.
