

Flat Sheets

Galvanised 0.7mm

Cladco Flat Sheets can be used in a variety of ways from lining the bottom of a trailer bed to making your own custom flashings. Flat Galvanised Sheets are manufactured using the highest standards, ensuring long-lasting use and low maintenance requirements.

Manufactured from high-quality galvanised steel, Cladco Flat Sheets are available in a 0.7mm thickness and in 3m Sheet lengths.

Cladco Profiles Roofing Sheets are a high-quality product that should last for years. Galvanised Sheeting has strong corrosion-resistant properties that react and protects the Roofing Sheets against the elements, rust, and degrading.
