

# 250GSM GREEN/BROWN HEAVY-DUTY WATERPROOF TARPAULIN

Cladco 250gsm heavy-duty tarpaulins present a highly durable, waterproof solution for temporary coverage, boasting a dual-coloured design in green/brown. Featuring a sturdy 14 x 14 weave, this heavy-duty waterproof tarpaulin is perfect for longer uses in outdoor applications, secured using our ball bungees.

## COLOUR RANGE

### MATERIALS

Cladco heavy-duty tarpaulin features an impressive 16x16 weave count and is manufactured from high-density polyethylene with a silver top sheet hemmed onto a black underside.

### DURABILITY

Cladco heavy-duty tarpaulins are rot- and shrink-proof, with built-in UV protection to resist weathering. Reinforced corners offer additional strength and durability.

### ACCESSORIES

Accessories are available to securely fasten your tarpaulins, including Cladco ball bungees and 6mm poly rope, supplied in various lengths.

### VERSATILITY

Cladco green/brown heavy-duty tarpaulins are designed for versatility across various applications while blending seamlessly into their surroundings.

### INSTALLATION

Equipped with 12mm aluminium eyelets spaced 50cm apart, our tarpaulins ensure a secure installation and fastening system with the help of Cladco ball bungees.

SPECIFICATIONS	
Thickness	250gsm
Weave Count	14 x 14
Material	Polyethylene
Sizes	8 Available

\*All our tarpaulin sheets are cut sizes, which is industry standard terminology for the size of the material before it is formed into a tarpaulin. This means that when seams and hems are taken into consideration, the final size can be up to 30cm-45cm shorter.

**PLEASE NOTE:** Larger tarpaulins require more support to ensure they are secured in points proportionate to their size.
